

# Drop Cap Style Samples

This document showcases all available drop cap styles in PublishJockey. Each style is demonstrated with the same sample paragraph for easy comparison.

---

**None**

Style: No drop cap applied

---

From the moment the first enslaved Africans set foot on American soil, they were in chains — but they were not broken. In 1619, when an English privateer ship named the White Lion brought “20 and odd” captive Africans to Point Comfort in the Virginia colony, it inaugurated a centuries-long tragedy of bondage that would profoundly shape the American experience.

This is additional text to show how the paragraph flows after the drop cap. The drop cap should integrate naturally with the rest of the text, maintaining proper spacing and alignment throughout the paragraph.

## Traditional

Style: 3 lines, classic serif

---

**F**rom the moment the first enslaved Africans set foot on American soil, they were in chains — but they were not broken. In 1619, when an English privateer ship named the White Lion brought "20 and odd" captive Africans to Point Comfort in the Virginia colony, it inaugurated a centuries-long tragedy of bondage that would profoundly shape the American experience.

This is additional text to show how the paragraph flows after the drop cap. The drop cap should integrate naturally with the rest of the text, maintaining proper spacing and alignment throughout the paragraph.

## Raised

Style: 2 lines, smaller and subtle

---

**F**ROM the moment the first enslaved Africans set foot on American soil, they were in chains — but they were not broken. In 1619, when an English privateer ship named the White Lion brought "20 and odd" captive Africans to Point Comfort in the Virginia colony, it inaugurated a centuries-long tragedy of bondage that would profoundly shape the American experience.

This is additional text to show how the paragraph flows after the drop cap. The drop cap should integrate naturally with the rest of the text, maintaining proper spacing and alignment throughout the paragraph.
